26. The method of claim 20, wherein said portion of said first Web page or second Web page is one or more of a portion of a text object, a portion of a spreadsheet object, a portion of a database object, a portion of a financial object, a portion of a communication object, a portion of a multimedia object, a portion of a video object, a portion of a graphics object, a portion of a presentation object, a portion of a computer program object, a portion of an audio object, a portion of a digital image object, a portion of a networking object, a portion of an on-line service object, a portion of a scanner object, a portion of a CAD object, and a portion of a virtual reality object.

Remarks

Upon entry of the foregoing amendment, claims 1- 26 are pending in this application. Claims 23-26 are sought to be added. These additions are believed to be fully supported by the specification and are not believed to introduce new matter. Thus, it is respectfully requested that the amendment be entered by the Examiner. The Examiner is invited to

telephone the undersigned representative if it is believed that an interview might be useful for any reason.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
